

## Southern European / Latin American Team

Intertrust has been setting the standard for trust and corporate services since 1952. Thanks to our focus on quality we have not only survived, but we have thrived. With over 1,000 experts in more than 20 countries worldwide, we help our clients - whether they are wealthy individuals, families or large multinationals - to do just the same. Our service is always built around your personal needs and priorities. Whatever we do for you, you can rely on us to act with uncompromising integrity at all times.

Our Southern European / Latin American Team offers support and advice to clients located or active in Italy, Spain, Portugal, Brazil and the Spanish speaking countries in the Americas. With our experienced team of legal and financial professionals and support staff, we provide for the set-up, maintenance and accounting of structured solutions involving The Netherlands. In addition, we can centrally

coordinate services of other Intertrust jurisdictions worldwide. With our regional approach and multilingual team, we are well familiar with the business cultures of Southern Europe and Latin America and have extensive experience in the daily management of corporate structures for these regions to meet your operational requirements. Our client portfolio consists of a variety of international corporations (many of which are listed on a reputable stock exchange), funds and private individuals active across a broad variety of sectors and industries.

Please contact us with any questions you may have. We welcome the opportunity to exchange thoughts and ideas with you on how to make your business succeed.
